

## FRANKFORT ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky as second class mailable matter.

GEORGE A. LEWIS.

Editor and Publisher.

FRANKFORT, SEPTEMBER 27, 1884.

Frank Howard, the great composer, is with Thatcher, Primrose & West's Minstrels.

Dr. Daniel Guber has removed his office to the Weitzel building on St. Clair street. See his card.

Thatcher, Primrose & West's, the largest minstrel company in the world, will visit Frankfort October 1st.

Miss Hallie Herndon is having erected another store-room on Second street, adjoining the store of Messrs J. W. Johnson & Co.

The Active Base Ball nine, of this city, went to Versailles Tuesday afternoon and defeated the club at that place by a score of 8 to 5.

The east bound C. & O. train which passes through this city at 9 1/2 o'clock at night, will hereafter carry mail from this city to Mt. Sterling.

Wood Haley and Weston Brothers, the greatest musical team in the United States will appear in Thatcher, Primrose & West's Minstrels.

The great burlesque on Fedora, entitled Bad Fed Ora, is one of the funniest pieces ever put on the stage. Will be produced in Thatcher, Primrose & West's Minstrels at Opera House October 1st.

W. B. Comer, contractor on the Lexington water works, who is charged with the murder of the convict O'Brien, had his examining trial Tuesday, and was held over to the Circuit Court in \$3,000 bond.

Mr. Sidney S. Bush, of this city, has formed a partnership in the drug business with Mr. J. T. Cook, who formerly clerked for Dr. W. H. Averill in this city, at Harrodsburg, and will remove to that place to reside the first of October.

Thatcher, Primrose & West's Minstrels will appear at the Opera House on Wednesday evening, October 1st. They are the largest and one of the best minstrel companies on the road, and if you want a good seat secure it in time, as there will be a crowded house.

Attention is called to the card of Mr. Chas. F. Lang, who bought out Messrs. N. F. & O. T. Richardson, in this issue. Mr. Lang is a good business man, a clever gentleman, and will deal fairly and honorably with all who may favor him with their patronage. Call and see him.

Mr. Chas. O. Reynolds, of Lexington, and Miss Josie M. DeLine, daughter of Mr. L. A. DeLine, of Spring Hill, were married Tuesday at the residence of the bride's parents, by Rev. E. A. Penick, of the Episcopal Church, in the presence of a few friends and relatives.

George Anderson Brown and Chas. Straws, half brothers and both colored, had a difficulty on Sunday afternoon, down in Craw, about the ownership of a pistol, which resulted in the former shooting the latter in the left breast, inflicting a dangerous if not fatal wound. Brown surrendered himself to an officer and was placed in jail. His examining trial will take place this morning.

The new Colored Public School building at the east end of Clinton street is rapidly approaching completion and will be ready for occupancy about the middle of October. The building is a handsome three-story brick, with twelve rooms in it, very similar in style of architecture to the White School building, and is quite an ornament to that part of the city. The walls will not be plastered but calomined, the ceilings plastered and the floors deadened so as to prevent noise from above disturbing those below. The grounds are being graded off and will be sodded, so that when completed the colored people will have a school building and grounds that will compare favorably with any in the State.

Latest styles of children's and ladies' felt hats just received at Ferguson & Albritton's.

Get your watches, clocks and jewelry repaired at F. M. Wayne's, 106 St. Clair street. You will save 50 per cent. if.

Mr. Darsie preaches his eighth anniversary sermon at the Christian Church to-morrow morning. In the afternoon he leaves for Hardinsville where he will hold a protracted meeting lasting a couple of weeks.

The bids for constructing water works in this city were opened yesterday and the following persons were found to be the lowest bidders: For laying pipe, Mr. Gole, of Bellefontain, Ohio. Reservoir, Mr. Snider, of Ohio. Pumping Station, Thos. P. Shanks, of Louisville.

A large number of persons went from this city to Louisville Thursday morning, attended the Exposition and returned on the late train at night. Many persons are waiting for an excursion train before they attend the Exposition, not caring to stay longer than one day, and the L. & N. Road could be certain of a large crowd from this city should they put one on.

### DIED.

In this city, on Saturday, September 20, 1884, MARY GREENWOOD, infant daughter of W. T. and Mamie W. Runyan, aged 7 months.

(For the Roundabout.)

In memory of little Mary Greenwood Runyan.

Put away all the playthings,  
The cradle, the carriage and toys,  
For our blue-eyed baby has left us  
And saddened all our joys.  
She used to swing in her hammock,  
The fairest, daintiest thing  
That ever blessed a household  
With blessings a baby can bring.  
She was always so tiny and fragile,  
Such a pure and delicate flower,  
We were almost afraid to touch her,  
And watched her hour by hour.  
But all our watching was useless,  
For she faded gently away,  
And all we could do, or say, or think  
Did not help to make her stay.  
For "Our Father" wanted our baby,  
He just let us have her awhile,  
He wants the fairest and brightest ones  
For jewels free from guile.  
Our baby will not be lonely  
In those famous gardens far,  
For many to hold her little hand  
Are waiting for her there.  
Let the turf cover her gently,  
Let the flowers their fragrance fling,  
Let the very breezes blow softly  
And the birds as softly sing:  
For the baby is sweetly sleeping,  
A sleep that is calm and long,  
Her soul has gone thro' the big white gates  
And the angels have burst into song.
